In accordance with Bylaw 14.7.3.2(a) of the NCAA Manual, a student-athlete may compete during the period between **June 15 and August 31**, or the institution's opening day of classes, whichever comes earlier, on a team in a summer basketball league approved by the Council per 30.15, provided the student-athlete has received written permission from the institution's athletics director (or the director's official representative) for participation in the league.

If the student-athlete is transferring and has been officially accepted for enrollment in a second institution, and if the previous institution certifies that the student has withdrawn and does not intend to return to that institution for the next term, this written permission is to be obtained from the member institution to which the student-athlete is transferring.
