

- Most F/S permits will increase \$.50-.75/month. (\$6/yr. for C, \$9/yr. for B/U).
- Reached the end of 3 yr. permit cycle. New permits will be mailed to the permit holders home (address pulled from payroll information in June). Permit valid until Aug. 2013.
- Current holders of B/U will get same. C will get same. Coliseum deck permit holders get a CD (valid only in the deck). All others will get c (170 staff have EC/EM/F/G – these will be eliminate as they don't exist in the current parking scheme designed last year to accommodate major changes to student structure.
- C permits will be able to park in C, P (Wolf Village, E.S. King, Partner's) and W(est) lot.
- V (Varsity) is low cost option at \$99 yr.
- Projects affecting parking:
  - 1) Construction on West Lot Deck is scheduled to start end of spring semester, majority of upper lot will be closed for the construction project, remainder will be re-classed as C.
  - 2) Student Health will be closed for the majority of the summer and spaces returned in increments starting in the fall until project is completed fall of next year.
  - 3) Renovations to tennis courts next to Student Health are also scheduled to be renovated as well as the swimming pool at Carmichael.
- As always we highly recommend using the Wolfline for inter-campus travel as parking continues to tighten across campus incl. At the Administrative Services Center.
- Modified Enforcement to merge relaxed enforcement policy (break periods) and summer parking. New policy slated to go into effect on May 24<sup>th</sup>. Please check our website or join the listserv for more information as the date approaches.
- OnLine Guest Permits. We will offer Department/Colleges the opportunity to send a secure link to their guest up to two weeks prior to visit. The Department will have the option of purchasing the permit for the guest or allowing the guest to purchase the permit using a major credit card. We plan to test the system this spring and roll out to entire campus during the summer and early fall.
